CANCAS News Notes – April/May 2005
The last issue of the News Notes that I sent was just before the Annual Meeting in March. Since then life has been a whirlwind, so I decided to combine the April and May issues. Many of you have completed your exams, so I’m afraid I may miss some of you that have left for summer break. I’ll make this short and resend some of this information again in the fall so no one misses out.

CURRENT EVENTS
*CANCAS Officers for 2005-2006

I am pleased to announce our new group of officers:

- President: Lance Lucas, Gardner-Webb
- Vice President: Amanda Moore, Catawba
- Secretary: Paige Knickerbocker, Campbell
- Historian: James Smith, ECU

The Executive Committee, composed of officers and faculty advisors, have already met and have made exciting plans for next year. Stay tuned to our News Notes for more information that will be coming to you this fall.

FUTURE EVENTS
*CANCAS website

Our website, the CANCAS Corner, has been located at <http://members.aol.com/cancas1/> during this transitional year of growth and change in the Collegiate Academy, but the site will be moving to a new location over the summer. I’ll send you more information this fall, but I wanted everyone to know that this move will allow us to expand and update, providing you with an easier to navigate site and with even more up-to-date information. I apologize that the last few months it has not been possible to make improvements on the current site, but I appreciate the input a few of you have sent. In light of this move, I would also like to solicit any suggestions for improvements to the site, so please let me know what you think, either now or once the new site is up. I hope we can make the website a valuable resource for the entire membership!

*CANCAS Handbook

The first electronic copy of the Handbook will be available online this fall (late September to early October).

PAST EVENTS
* NCAS/CANCAS Annual Meeting at Meredith College from March 18-20, 2005

What a grand event!! See the attached NCAS newsletter for photos and additional information.
*REMEMBER
If you are an advisor receiving announcements and news through the CANCAS email list, please pass this information on to your students and to other faculty in your department. Also, let others in your group know about the email list. I can send emails directly to anyone, students or faculty, that requests this.

**FINAL NOTES**
