CANCAS News Notes - September 2004
I guess most of us are past the introductions of the beginning of the semester and are busy studying, discussing, and learning. Don’t forget to include some upcoming CANCAS activities in your schedule.

CURRENT EVENTS
* CONTEST: deadline extended to September 9th
   Since our Executive Committee Meeting is not until the 12th, the deadline has been extended from September 1st to the 9th. There is only a little while remaining to send in your entries.

   Advisors: please tell your students about the contest, since they may not have submitted their email address to the News Notes list and may be unaware of the contest.

   If you do not remember the details:
   Contestants will submit either a website background (or graphic that can be used for this purpose) or a picture that would be appropriate as an opener on the main webpage. We envision that there will be several winners since we need backgrounds for the main webpage and secondary pages. Try to choose something that will help represent the theme of our organization and that will not distract from the words that overlay the background. Winners will be chosen during our September Executive Committee Meeting and presented at the CANCAS Annual Fall Undergraduate Research Workshop (see info below). Prizes will include T-shirts and a gift certificate to the Discovery Channel Store Online. Please send submissions to Dr. Guzman (guzman@campbell.edu) and in the subject line indicate CANCAS Contest to ensure that your entry is not missed.

* Executive Committee Meeting: September 12, 2004 at Catawba College
   Members are welcome to attend or to send suggestions to the officers. Email addresses for your officers and executive director are available on the new website. If you plan to attend, email Dr. Guzman (guzman@campbell.edu).

* Announcement to Faculty:
We are currently looking for individuals that would like to present at the Fall Undergraduate Workshop on a topic related to undergraduate research. If you are interested, please let me know (guzman@campbell.edu). Our students need your enthusiastic support!

FUTURE EVENTS
* Fall Undergraduate Research Workshop… mark your calendars: Saturday November 6th
   Location: the new Sigma Xi Center in the Research Triangle Park! Find out more about their fabulous new facility at: (http://www.sigmaxi.org/about/news/centerGO.shtml). More details will be available as a separate mailing and in next month’s News Notes.
PAST EVENTS
* CANCAS website:
  CANCAS has a new website called the CANCAS Corner! Please visit it at <http://members.aol.com/cancas1/>. You will find lots of info and some pictures of last year’s fall workshop. Let us know if you have any ideas for things you would like to see on the site and we will see what we can do.

FINAL NOTES
* Suggestions & Comments can be directed to Dr. Karen Guzman at: <guzman@campbell.edu>. Let me know if you have any news that you would like included in the monthly News Notes or suggestions to improve the series. Thanks!

* If you notice errors in any of the news, please let me know so that I can send out a correction or fix it for the next month.
