CANCAS News Notes – August/September 2006

The semester has begun for most of us and for the rest of us it will shortly. I’m looking forward to an exciting year with CANCAS and I hope you are also! Here are some of the things we are up to…

CURRENT EVENTS

* Don’t miss out! Stay Informed.

If you are a faculty advisor, please remember to forward the News Notes to your students. If they want the News Notes to reach them directly, please have them send me a request by email, indicating their name and which group (e.g. club or department) they are associated with, and I will be glad to add them to the email list.

If you would like to review some of last year’s activities, take a look at the website and some of the archived News Notes from last year.

RECENT EVENTS

* Executive Committee met August 27, 2006

The Executive Committee met and made plans for the year. In October, you will receive a letter from the president as well as details of some of the upcoming events. Feel free to send ideas and suggestions to your officers throughout the year.

FUTURE EVENTS

* CANCAS Fall Undergraduate Workshop: East Carolina University, November 18, 2006

More information available in early October

Please share with us!

We would like to put together a list of some of our member’s professional activities from this past summer. If you are willing to share your experiences, we will be putting together a sheet to share at the fall workshop. If you are interested, please email me with answers to the following questions:

What is your name and where do you go to school?
What professional activity did you do this summer?
Where did you do your internship/job/other?
What type of position was it?
How did you get the position?
When did you apply for it?
Tell a little about your experience.

*CANCAS website

Work is progressing steadily to create a new and improved website. We want the site to be something that you are proud of and that contains information that you will refer to often. Be looking for this to appear some time this fall.
MEMBERSHIP

Membership forms are already available online. Send your forms in as soon as possible. I will need up-to-date contact information so that I can keep you, the membership, informed. Membership is due on November 15, 2006.

Each month in the News Notes, I will send you an update on membership. At this time of the year I would expect there to be no current members since most of you have not met as a club or group for the year, but one college is one step ahead of the rest of us. Kudos to Meredith for being on the ball and sending in their membership form before anyone else! The rest of us are not far behind. Help us make the list long!
